THIS AGREEMENT is made and entered this 27th day of November, 2017, by and between Pueblo, a Municipal Corporation (hereinafter referred to as "Client") and Walden Mills Group (hereinafter referred to as "Consultant") for Consultant to render professional wayfinding sign design services for Client with respect to Project #DT1401, Project Name: Pueblo Wayfinding Signs Phase II Project, hereinafter and related ancillary services, hereinafter referred to as the "Project." In consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

SECTION 1. GENERAL AND SCOPE OF SERVICES.

(a) Consultant shall satisfactorily perform the professional planning and consulting services for the Project described in more detail in Schedule 1 attached hereto and incorporated herein by reference (the "Basic Services"). Such services shall include all usual and customary professional design services including any required drafting or design services incident to its work on the Project. In the event this Agreement follows the selection of Consultant by Client pursuant to a Request for Proposals or RFP, all of the requirements of that Request for Proposal or RFP are incorporated herein by reference, unless any requirement is expressly excluded in Schedule 1.

(b) To the extent Consultant performs any of the Project work through subcontractors or subconsultants, Consultant shall be and remain as fully responsible for the full performance and quality of services performed by such subcontractors or subconsultants as it is for services performed directly by Consultant or Consultant's employees.

(c) To the extent Consultant requires access to private property to perform its services hereunder, Consultant shall be required to make arrangements to obtain such access. However, in the event Client has already secured access for Consultant to any such property through a right of entry agreement, access agreement, letter of consent or other instrument, Consultant shall fully comply with and be subject to the terms and conditions set forth therein. A copy of any such instrument will be provided to Consultant upon request.

SECTION 2. CONSULTANT'S RESPONSIBILITIES.

(c) Consultant shall be completely responsible for the safety of Consultant's employees in the execution of work under this Agreement and shall provide all necessary safety and protective equipment for said employees.

(d) Consultant acknowledges that time is of the essence with respect to the completion of its services under this Agreement. Consultant represents that Schedule 1 attached hereto is the schedule by which Consultant proposes to accomplish its work, with time periods for which it will commence and complete each major work item. Except to the extent the parties agree to time extensions for delays beyond the control of Consultant, Consultant shall adhere to this schedule and perform its work in a timely manner so as not to delay Client's timetable for achievement of interim tasks and final completion of Project work. Consultant further acknowledges that its schedule has accounted for all reasonably anticipated delays, including those inherent in the availability of tools, supplies, labor and utilities required for the work, the availability of information which must be obtained from any third parties, and all conditions to access to public and private facilities.

(e) Before undertaking any work or incurring any expense which Consultant considers beyond or in addition to the Scope of Work described in Schedule 1 or otherwise contemplated by the terms of this Agreement, Consultant shall advise Client in

writing that (i) Consultant considers the work beyond the scope of this Agreement, (ii) the reasons that Consultant believes the out of scope or additional work should be performed, and (iii) a reasonable estimate of the cost of such work. Consultant shall not proceed with any out of scope or additional work until authorized in writing by Client. The compensation for such authorized work shall be negotiated, but in the event the parties fail to negotiate or are unable to agree as to compensation, then Consultant shall be compensated for its direct costs and professional time at the rates set forth in Schedule 2 attached hereto.

SECTION 3. FEES FOR SERVICES; PAYMENT.

(a) Client will pay to Consultant as full compensation for all services required to be performed by Consultant under this Agreement, except for services for additional work or work beyond the scope of this Agreement, the maximum sum of U.S. \$8,000.00, computed as set forth in Schedule 2.

(b) Consultant shall submit periodic, but not more frequently than monthly, applications for payment, aggregating to not more than the maximum amount set forth above, for actual professional services rendered and for reimbursable expenses incurred. Applications for payment shall be submitted based upon the hourly rates and expense reimbursement provisions set forth in Schedule 2 attached hereto, and shall contain appropriate documentation that such services have been performed and such expenses incurred. Thereafter, Client shall pay Consultant for the amount of the application within 45 days of the date such application is received.

(c) No separate or additional payment shall be made for profit, overhead, local telephone expenses, lodging, routine photocopying, computer time, secretarial or clerical time or similar expenses unless otherwise provided and listed in Schedule 2.

(d) No compensation shall be paid to Consultant for services required and expenditures incurred in correcting Consultant's mistakes or negligence.

(e) Compensation for authorized work beyond the scope of this Agreement shall be governed by the provisions of Section 2(e).

(f) In the event services under this Agreement are phased and to be performed in more than one fiscal year or are subject to annual appropriation, Consultant acknowledges that funds only in the amount of initial appropriation are available and it shall confirm availability of funds before proceeding with work exceeding initial and subsequent annual appropriations.

SECTION 4. CLIENT'S RESPONSIBILITIES.

(a) Client agrees to advise Consultant regarding Client's Project requirements and to provide all relevant information, surveys, data and previous reports accessible to Client which Consultant may reasonably require.

(b) Client shall designate a Project Representative to whom all communications from Consultant shall be directed and who shall have limited administrative authority on behalf of Client to receive and transmit information and make decisions with respect to the Project. Said representative shall not, however, have authority to bind Client as to matters of governmental policy or fiscal policy, nor to contract for additions or obligations exceeding a value which is the lesser of \$5000 or 5% of the maximum contract price.

(c) Client shall examine all documents presented by Consultant, and render decisions pertaining thereto within a reasonable time. The Client's approval of any drawings, specifications, reports, documents or other materials or product furnished hereunder shall not in any way relieve Consultant of responsibility for the professional adequacy of its work.

(d) Client shall perform its obligations and render decisions within a reasonable time under the circumstances presented. Based upon the nature of Client and its requirements, a period of 14 days shall be presumed reasonable for any decision not involving policy decision or significant financial impact, when all information reasonably necessary for Client to responsibly render a decision has been furnished. A period of 46 days shall be presumed reasonable for Client to act with respect to any matter involving policy or significant financial impact. The above periods of presumed reasonableness shall be extended where information reasonably required is not within the custody or control of Client but must be procured from others.

SECTION 5. TERM AND TERMINATION

(a) Term. The term of this Agreement begins on the Effective Date and ends on November 27, 2018, unless sooner terminated in accordance with this Agreement. City reserves the right to extend the term of this Agreement in one-year

Notwithstanding any other provision of this agreement, with respect to any financial obligation of City which may arise under this agreement in any fiscal year after the current year, in the event the budget or other means of appropriations for any such year fails to provide funds in sufficient amounts to discharge such obligation, such failure shall not constitute a default by or breach of this agreement. The termination of this Agreement due to lack of funding shall be without penalty to the City.

(c) Client reserves the right to terminate this Agreement and Consultant's performance hereunder, at any time upon written notice, either for cause or for convenience. Upon such termination, Consultant and its subcontractors shall cease all work and stop incurring expenses, and shall promptly deliver to Client all data, drawings, specifications, reports, plans, calculations, summaries and all other information, documents, work product and materials as Consultant may have accumulated in performing this Agreement, together with all finished work and work in progress.

(d) Upon termination of this Agreement for events or reasons not the fault of Consultant, Consultant shall be paid at the rates specified in Schedule 2 for all services rendered and reasonable costs incurred to date of termination; together with any reasonable costs incurred within 10 days of termination provided such latter costs could not be avoided or were incurred in mitigating loss or expenses to Consultant or Client. In no event shall payment to Consultant upon termination exceed the maximum compensation provided for complete performance in Section 3(a).

(e) In the event termination of this Agreement or Consultant's services is for breach of this Agreement by Consultant, or for other fault of Consultant including but not limited to any failure to timely proceed with work, or to pay its employees and consultants, or to perform work according to the highest professional standards, or to perform work in a manner deemed satisfactory by Client's Project Representative, then in that event, Consultant's entire right to compensation shall be limited to the lesser of (a) the reasonable value of completed work to Client or (b) payment at the rates specified in Schedule 2 for services satisfactorily performed and reimbursable expenses reasonably incurred, prior to date of termination.

(f) Consultant's professional responsibility for its completed work and services shall survive any termination.

SECTION 6. SITE ACCESS.

In the event the Project will require access to property not under the control of Client, Consultant and Consultant's employees and consultants shall obtain all additional necessary approval and clearances required for access to such property. Client shall assist Consultant in obtaining access to such property at reasonable times but makes no warranty or representation whatsoever regarding access to such property. Notwithstanding the foregoing, Consultant understands and agrees that entry to some property by Consultant may be subject to compliance by Consultant with the terms and conditions of an access agreement in accordance with section 1(c) of this Agreement.
