

*Creating pathways for people  
with diverse abilities to thrive*

- Celebrating **55 years** of service in 2022. PDI started out in a church basement of St. Paul's Methodist Church in 1967, moving three more times until 1973 when the 2828 Granada Blvd became its current location.
- Our campus provides programs and compassionate, trained staff and resources to meet each unique need of every individual we serve.
  - At PDI, we strive to be person-centered. That means we treat every person as a unique person who is capable of making choices to create the quality of life they want.
  - PDI offers Human Services Programs: Day, Vocational, Residential, and Supported Community Connections.
- PDI provides off-site manufacturing and fulfillment services. Our grounds crews and maintenance teams can also come to your business to handle your custodial and grounds maintenance workloads. We get the work done so you can do your job. You receive quality work; we employ your community.
- The diverse range of services, quality assurance, and competitive market pricing makes working with PDI a sensible business choice. **Let's work together!**
- *PDI currently serves 162 individuals.*

# PDI's Vision

- To create pathways of opportunity where people with diverse abilities thrive through informed choices, meaningful education and employment, premier residential services, and dynamic social experiences.

# Mission Statement

- At PDI we envision opportunities for all people with diverse abilities.
- PDI envisions a community where everyone is treated with dignity and engaged in meaningful life experiences with a network supporting their choices.
