PAACO

The Pueblo African American Concern Organization, Inc. (PAACO) was established in November 1992 to promote diversity in higher education. The organization's goal is to increase the number of African-American students entering into and graduating from an institution of higher learning. One of the ways PAACO accomplishes this goal is by providing academic scholarships to qualified African-American and other minority students who need financial assistance to complete their college education. Over the past twenty-eight years, PAACO has provided over 300 plus scholarships to deserving students. Your contributions make a difference in the lives of others.

Officers of PAACO Board of Directors

Dr. Carl Wright, President, Mrs. Helen Wiley, Vice President
Mrs. Jozette Hemphill, Secretary, Mrs. Olivia Myers, Interim Treasurer

Opportunities to Support PAACO

The Twenty-seventh Annual Scholarship Fundraiser will include opportunities for our community to assist PAACO with raising scholarship funds. Local businesses and artists have donated items for the Silent Auction, which begins during the cocktail hour.
