REGARDING CONFLICTS OF INTEREST

WHEREAS, Section 1-9-7 of the Pueblo Municipal Code provides as follows:

(c) A member of City Council who or whose family has a personal or private interest in any matter proposed or pending before the City Council shall disclose such interest to the City Council and shall not vote thereon and shall refrain from attempting to influence the decisions of the other members of the City Council in voting on the matter.

and;

WHEREAS, Section 24-18-109 of the Colorado Revised Statutes provides as follows:

(3)(a) A member of the governing body of a local government who has a personal or private interest in any matter proposed or pending before the governing body shall disclose such interest to the governing body and shall not vote thereon and shall refrain from attempting to influence the decisions of the other members of the governing body in voting on the matter.

and;

WHEREAS, in Advisory Opinion 16-05, the Colorado Independent Ethics Commission, stated as follows:

Colo. Const. Article XXIX, sec. 1(c) requires covered individuals “to avoid conduct that is in violation of their public trust or that creates a justifiable impression among members of the public that such trust is being violated.” Appearances of impropriety are generally referred to as “perception issues” or “violating the smell test.” They can weaken public confidence in government and create a perception of dishonesty, even among government officials who are in technical compliance with the law.

In order to avoid the appearance of impropriety, local government officials should avoid voting on or debating questions in a manner that may lead the public to perceive that the local government official is either placing his or her own private business interests in a position of competitive advantage or keeping his or her own private business interests from being adversely affected by the decisions of the governing body.

(emphasis supplied) and;

WHEREAS, Section 3-16 of the Charter of the City of the City of Pueblo provides as follows:

In all legislative matters coming before it, the Council shall act only by ordinance, resolution or motion. The ayes and nays shall be taken upon the passage of all ordinances, resolutions and motions, and entered upon the journal of the Council proceedings. Every ordinance shall require the affirmative vote of the majority of the membership of the entire Council for final passage. Failure to vote by a council member when present shall result in a vacancy, the office to be forfeited immediately.

(emphasis supplied). NOW THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF PUEBLO, that: (brackets indicate matter being deleted, underscoring indicates new matter being added)
