NOW, THEREFORE, in consideration of the foregoing recitals and the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. FACTUAL BASIS FOR THE GRANT AWARD

- (a) Subrecipient Pueblo Rescue Mission (“PRM”) is the only agency in Pueblo County providing shelter services for unaccompanied adult men and women over the age of 18, who are experiencing homelessness. PRM has demonstrated its ability to deliver services to Pueblo’s adult population experiencing homelessness. From December 15, 2018 through April 30, 2019, PRM entered into a contract with the City of Pueblo to operate an emergency warming shelter which provided 10,235 shelter nights to 578 unduplicated individuals. During this same time, 31 clients of PRM moved into some form of an independent living environment (suitable housing).
- (b) Following the acquisition of a \$1.3M renovation grant from the Colorado Department of Local Affairs, PRM opened its permanent home at 728 W. 4th Street on January 30, 2020. In addition to providing food and shelter to residents in its facility, PRM offers outreach to an average of 42 homeless individuals living in camps and on the streets of Pueblo. PRM also provides a weekly clothing bank that serves 60 individuals per week.
- (c) Before COVID-19’s arrival in the City of Pueblo in March, 2020, PRM operated only during overnight hours, opening in the evening, serving a meal, and then closing early morning the following day. Subrecipient’s mission was to provide overnight sheltering. Daytime hours of operation were limited and were used for case management and clients utilizing PRM’s counseling services.
- (d) Since Mid-March, 2020, PRM has adjusted its services to accommodate a 24/7 format; housing sheltered and unsheltered homeless men and women all day and all night, keeping them inside the shelter and safe, serving 3 meals each day to the homeless, in addition to serving a separate evening community meal, all the while maintaining the CDC’s rules of social distancing
- (e) Since March, 2020, Subrecipient has experienced a tremendous strain on its budget brought about by the additional staffing costs required to implement stay-at-home, safer-at-home orders and extended hours, escalated costs associated with serving more people and additional expenses related to the implementation of required public health mandates.
- (f) Subrecipient’s services have minimized the risks to public health and safety in the midst of a pandemic by giving people experiencing homelessness a safe place to stay, as well as proving a central location to provide information, COVID testing and services to meet basic needs.
- (g) Funding for PRM’s operating Transitional Homeless Shelter will assist the Subrecipient to meet its most pressing and critical financial needs to pay for staffing and other escalating costs associated with serving more people over extended hours during a prolonged pandemic.
- (h) Success stories of Subrecipient during 2020-2021:
 - 17 men and 2 women found employment.

- 10 found stable living accommodations.
- 2 men went to treatment of sober living.
- 21 of the seniors have enrolled in services with Innovage.
- 1 male was referred to Hospice care.
- HMIS has been completed on all enrollments in the shelter.
- Case management intake and assessment have been completed for 54 people.
- VSPDAT applications have been completed for 16 people to access the CES program list (housing).
- 4 individuals have received vouchers for housing.
- 88 individuals have gained access to a pro bono attorney to assist with Social Security claims.
- 40 individuals have received assistance to apply for SNAP and Medicaid assistance.
- 10 individuals have assisted in the kitchen and other various operations at the PRM facility.
- Weekly transports have been made for medical, medication pick-up and other appointments.
