

SUBRECIPIENT AGREEMENT

THIS SUBRECIPIENT AGREEMENT (“Agreement”) is made and entered into this 25th day of April, 2022, (hereinafter “Effective Date”) by and between the City of Pueblo, a Colorado municipal corporation, hereinafter referred to as the “City” and Pueblo Community College, a Colorado community college, hereinafter referred to as the “Subrecipient.” City and Subrecipient are sometimes each referred to as a “Party” and collectively “Parties.”

RECITALS

The following recitals are incorporated in and made a part of this Agreement.

WHEREAS, on March 11, 2021, President Biden signed the U.S. Senate-amended H.R. 1319 (P.L. 117-2) known as the American Rescue Plan Act (hereinafter “ARPA”); and

WHEREAS, on May 10, 2021, the U.S. Treasury issued the Interim Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations (“CFR”); and

WHEREAS, by Ordinance No. 9931, approved on May 17, 2021, the City Council established Project No. CI-2113 and budgeted and appropriated up to \$36.7 million in funds which were expected to be distributed to the City from ARPA for covered costs and eligible expenses to be incurred during the period which began on March 3, 2021 until December 31, 2024 (to be expended by December 31, 2026); and

WHEREAS, on January 6, 2022, the U.S. Treasury issued, with an effective date of April 1, 2022, the Final Rule to implement ARPA in Title 31, Part 35 of the Code of Federal Regulations (“CFR”); and

WHEREAS, under the Final Rule, recipients may use Coronavirus Local Fiscal Recovery Funds (“CLFRF”) to respond to the COVID-19 public health emergency and the negative economic consequences resulting therefrom; and

WHEREAS, Subrecipient has requested that the City use CLRF Funds in connection with the Female Founder Program through the Subrecipient’s Southern Colorado Small Business Development Center (hereinafter “Project”); and

WHEREAS, the City desires to disburse funds from Project No. CI2113 to the Subrecipient to administer the Project and perform certain services in connection therewith as set forth in this Agreement and in the Scope of Services attached hereto; and

WHEREAS, Subrecipient has represented to the City that is duly qualified, eligible and willing to undertake the Project and provide the services identified herein and in the Scope of Services attached hereto.

NOW, THEREFORE, in consideration of the foregoing recitals and the terms and conditions set forth herein, the Parties hereto mutually agree as follows:

1. FACTUAL BASIS FOR THE GRANT AWARD

- (a) Many of the City's local businesses rely strictly on foot traffic for their revenue. With the onset of the Covid pandemic and the various shutdowns, many businesses lost significant revenue in 2020 and 2021.
- (b) Studies have shown that many female business owners were hit harder during the COVID pandemic due to the fact that women tend to sell their products and services for less than their male counterparts. This is attributed to the fact that many female owners tend to value the nurturing of relationships, rather than the value of the dollar. They want their clients/customers to feel cared for which leads them to generally accept an average of 20% less for their products and services than male business owners.
- (c) Subrecipient's Small Business Development Center ("SBDC") has a record of successfully working with many local businesses. SBDC is currently in the process of pivoting to adapt to the new ways of doing business since the onset of the pandemic.
- (d) Studies have demonstrated that woman-owned businesses are not recovering from Covid-19 as fast as their male-owned counterparts.

2. SERVICES; RESPONSIBILITIES OF SUBRECIPIENT

- (a) Subrecipient agrees to satisfactorily perform and complete all services and items of work, and furnish all labor and materials encompassed within or reasonably necessary to accomplish the tasks and functions described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference, in full compliance with all provisions of this Agreement.
- (b) Subrecipient warrants and represents that it: (i) has the requisite authority and capacity to perform all terms and conditions on Subrecipient's part to be performed hereunder; (ii) that it is fully aware of and understands its duty to perform all functions and services in accordance with the regulatory requirements of 31 CFR Part 35 and those identified in Exhibit "C" hereto; and (iii) that it is accepting federal financial assistance hereunder subject to certain mandatory repayment provisions.

3. RESPONSIBILITIES OF THE CITY

The City shall designate a representative of the City who will be authorized to make all necessary decisions required of the City on behalf of the City in connection with the performance of this Agreement and the disbursement of funds in connection with the Project. In the absence of such a designation, the City Mayor shall be deemed as City's authorized representative.

4. SUBRECIPIENT'S COMPENSATION AND METHOD OF PAYMENT

- (a) The City will pay to Subrecipient an amount up to that specified in subparagraph (c) of this paragraph as full compensation for all services and work to be performed or undertaken by Subrecipient under this Agreement. Payment of funds to Subrecipient is subject to all of the following requirements, which shall be conditions precedent to payment: (i) that Subrecipient has expended funds for

eligible approved expenditures, (ii) that Subrecipient is not in default of any material provision of this Agreement nor applicable law or regulation, (iii) that Subrecipient has timely submitted requests for payment or reimbursement detailing the eligible payment or reimbursement items in a format approved by City, (iv) that Subrecipient has certified with each payment or reimbursement request compliance with the requirements identified in Exhibit "C" and that all expenditures for which reimbursement is sought were made for and in furtherance of the approved Project and are an eligible use of federal assistance under ARPA and federal regulations.

- (b) Payment hereunder is also subject to and may only be disbursed in accordance with applicable Federal regulations including but not limited to those at 31 CFR Part 35, as presently promulgated and as same may be revised from time to time in the future, all other terms of this Agreement, and any special provisions in the Scope of Services. All payments received by Subrecipient hereunder are subject to repayment by Subrecipient as provided in 31 CFR Part 35.
- (c) The aggregate of all payments made hereunder shall not exceed Twenty-Five Thousand Dollars (U.S. \$25,000.00). City shall make full payment to Subrecipient within thirty (30) days following approval of this Agreement by the City Council of the City of Pueblo and execution of this Agreement by the Subrecipient.
- (d) Notice pursuant to 2 CFR 25.300 – Requirement for recipients to ensure subrecipients have a unique entity identifier:
 - A recipient of ARPA funds, such as the City of Pueblo, may not make a subaward to a subrecipient unless the subrecipient has obtained and provided to the recipient a unique entity identifier. Subrecipients are not required to complete full SAM registration to obtain a unique entity identifier.
 - A recipient must notify any potential subrecipients that the recipient cannot make a subaward unless the subrecipient has obtained a unique entity identifier.
- (e) Upon expiration of the term of this Agreement or upon any prior termination, Subrecipient shall transfer to City any funds provided hereunder which are on hand at the time of expiration or termination.
