 SUBJECT: A RESOLUTION RATIFYING AN EMERGENCY CONSTRUCTION CONTRACT IN THE AMOUNT OF \$14,344.40 WITH PARKER EXCAVATION, INC. FOR EMERGENCY SANITARY SEWER POINT REPAIR AT 31 MACARTHUR PROJECT NO. 20-059 (WWAN03) AND APPROVING THE PURCHASING AGENT'S EXECUTION OF SAME

SUMMARY:

This Resolution ratifies and approves award of a construction contract to Parker Excavating, Inc. for emergency sanitary sewer point repair at 31 MacArthur.

PREVIOUS COUNCIL ACTION:

None

BACKGROUND:

The Wastewater Engineering Department was notified that the collection crew had performed a television inspection (TVI) of the main located at 31 MacArthur due to a customer complaint. During the TVI, the collection crew found a large hole and 60% sag in the main. An emergency repair was performed to repair the hole and sag before there was any more damage to the main and before a sink hole at the surface formed.

The repair work was performed under the Sanitary Sewer Point Repair multi-year contract under which three contractors were qualified via competitive bid. An estimate was prepared, and Parker Excavating was the low bidder and accepted the work.

The cost breakdown for the project is as follows:

Sanitary Sewer Replacement-related

Total:	\$	7,002.40	49%
---------------	----	----------	-----

Surface Improvement Related

Total:	\$	7,342.00	51%
---------------	----	----------	-----

Grand Total:	\$	14,344.40	100%
---------------------	----	-----------	------

FINANCIAL IMPLICATIONS:

Funding for this project came from the sanitary sewer rehabilitation budget funded by the Sewer User Fund. Funding was available and had been budgeted, appropriated, and allocated to Project No. 20-059 (WWAN03).

BOARD/COMMISSION RECOMMENDATION:

Not applicable.

STAKEHOLDER PROCESS:

None.

ALTERNATIVES:

Not approve this Resolution, but this would require a finding that there was not an emergency condition.

RECOMMENDATION:

Approval of the Resolution.
