

**BACKGROUND PAPER FOR PROPOSED
ORDINANCE**

COUNCIL MEETING DATE: August 22, 2022

TO: President Heather Graham and Members of City Council

CC: Nicholas A. Gradisar, Mayor

VIA: Marisa Stoller, City Clerk

FROM: Scott Hobson, Acting Director of Planning and Community Development

SUBJECT: AN ORDINANCE APPROVING THE VILLA BELLA FILING NO. 2
SUBDIVISION

SUMMARY:

The applicant is requesting to subdivide 48.240-acres into 375 residential lots and multiple parcels for a park, drainage, detention, trails, and public utilities. The applicant is concurrently requesting to vacate two 20-foot utility drainage easements located within blocks 3, 4, and 5 in the Villa Bella Subdivision, Filing No.1 and to vacate unimproved CID Drive and the eastern portion of unimproved Napoli Way generally located south of Rawlings Boulevard, west of Bergamo Drive and east of Thunderwolf Drive. The applicant is also concurrently requesting to change the street name of Napoli Way to Medici Way.

PREVIOUS COUNCIL ACTION:

City Council approved amending the zoning restrictions for the Villa Bella PUD on May 24, 2021 by Ordinance No. 9938.

City Council approved amending the zoning restrictions for the Villa Bella PUD on April 11, 2022 by Ordinance No. 10149.

BACKGROUND:

The proposed subdivision is located east of CSU-P, south of Villa Bella Expeditionary School, and north of Cesar Chavez Boulevard and is a re-subdivision of the western portion of the Villa Bella, Filing No. 1, Subdivision (2009). Villa Bella, Filing No. 1 was originally subdivided for multifamily and office/commercial uses. In 2020, an amendment to the Villa Bella PUD was approved, which changed the uses within the project area to single-family residential. Villa Bella, Filing No. 2, divides the property into 375 modestly sized single-family residential lots and multiple parcels dedicated for drainage, detention, pedestrian, public utilities, trail, and landscape purposes. The average lot

area within the proposed subdivision is about 2,975 square feet with an average lot width of 35-feet. Parcel A is 3.837 acres and is dedicated as a neighborhood park that will be owned, developed, and maintained by the Villa Bella Metropolitan District No. 1. Parcel B is dedicated for perpetual use as public utility easements, landscaping, and sidewalk, "subject to certain restrictions." However, the plat states Parcel B is intended for public utilities, drainage easements, and park. Staff recommends an amendment to the subdivision plat to remove the park provision from Parcel B. Additionally, the "SUMMARY" table on the dedication page of the subdivision must be amended to remove Parcel B from the park calculation. The proposed park area, within Parcel A, is approximately nine percent of the land area, exclusive of street widths, being subdivided, which exceeds the 8-percent park dedication requirement.

FINANCIAL IMPLICATIONS:

There are no financial implications for the City.

BOARD/COMMISSION RECOMMENDATION:

The Planning and Zoning Commission, at their July 13, 2022 Regular Meeting, voted 6-0 to recommend approval with conditions that must be satisfied prior to City Council review, Commissioner Avalos absent.

STAKEHOLDER PROCESS:

The Planning Department sent out Notice of the Planning and Zoning Commission Public Hearing to all property owners located within 300 feet of the subject property.

ALTERNATIVES:

If City Council does not approve this Ordinance, the site will not be re-subdivided which will impede development of the site.

Upon request of City Council, the Ordinance could be returned to the Planning and Zoning Commission for consideration of proposed modifications.

RECOMMENDATION:

Approval of the Ordinance.
