Meeting was called to order at 1:10

Minutes were accepted as presented

Guest Speaker: Absent

A citizen brought a complaint about the parking regulations involving the parallel spaces at Walmart. It was referred to the work session for further discussion.

City Updates

The old city park pool has not been demolished. It is waiting for approval

Only the 5th Street bike lane is being removed, not the entire project as the paper suggested.

The city budget will be approved the 14 and 28th by city council.

The new CDOT facility will be on Wills and Outlook and Outlook will extend up to Dillon. The city will be advertising the public improvement. It is to the west of Kohl's by the Dillon flyover

Transit

There is a Transit Hearing Thursday October 10 Rawlings Library Room B 4-6. Bustang is looking at locations.

Tammy requested a hearing from 2-4 at the Transit Center because she cannot be safe to drive home after dark. Earl said he would arrange more hearings.

Library District

The library does signing during story time with the children.

The current project to upgrade the assistive technology stations will include a maintenance schedule.

Communication Report

Dale's hospital experience was horrible. He is waiting for Ed to finish his report so it can be submitted for consideration of what action to take.

Don pointed out the Joint Commission should be involved because they oversee hospitals.

Ralph will look at getting loops for the museum so that people who are hard of hearing can be included in events the museum hosts

Chairperson's Report

The policies paper was discussed and there were no objections.

Don Bruestle took names of people who want to serve as officers next year.

Meeting Adjourned at 2:45.
