Steve has been invited by Commissioner Wiseman to represent this Commission on the County’s SMR Advisory Group. Marty Adams informed the group he will be traveling for 2 months starting 11/12/21 and will try to attend meetings via zoom.
  
2. **Education Committee Report**  
 This subcommittee has not met yet. Tyler would like to join this committee and offered to reach out to the current chair, Greg, to help coordinate the first meeting.
  
3. **City Council Work Session Discussion**  
 Subcommittees will individually work on what they’d like to share/recommend with the City Council at the 12/20/21 Work Session.
  
4. **Roundtable Discussion**  
 John discussed the BHE building benchmarking service they provide and offered to send a report on the County Buildings as an example. Alyssa sent this out to all members following the meeting.  
 Edgie suggested adding to the next agenda a discussion on Nuclear Energy and forming an official recommendation on the topic from the Commission. This group decided to table this for a future date.

5. Suggestions for next meeting, Chair Steve Nawrocki  
Next meeting will be Wednesday, Nov 17 at the same time. There will not be any December meetings except for the City Council Work Session. Plan to start up again in January 2022.
