. This morning on KOAA news it was announced that the fair will use federal COVID money for renovations such as air conditioning upgrades, but Manager Scott Stoller didn't say anything about ADA accessibility compliance. Now would be a good time to discuss this with their board.

Success! Dutch Clark Stadium inspection report.

Laura: Chili and Frijole Festival report

xi. New Business

Annoying and well, illegal...the very people who are installing new curb access on the corner of the sidewalks at this intersection to make the sidewalk more user friendly, are actually parking their work vehicle on the sidewalk blocking it, making it difficult to get by even on foot. 🚫 Observation from Next Door.

Next meeting: November 2, 2023
