Committee member updates:

Laura: PURA Community Relations Committee meeting, which is open to the public. Don and I expressed our frustration with PURA regarding not giving the ADA Advisory Committee an opportunity to provide input before deciding to buy the ADA accessible restroom pods. The Community Relations Committee didn't seem to know about the Dutch Clark Stadium renovation issues, so we informed them.

Regarding the Assistive Listening Devices (ALD), I audited them at City Council chambers and the Emergency Services Center, both during public meetings, and I emailed those audit reports to the committee.
