DISCUSSION ITEMS

A. Pueblo Historic Fund Grant Program

Broadhead: We would like to help owners of aging buildings. All landmarks covered by our ordinance would be eligible. The grants would be used on a smaller scale or a match for other grant programs. We want the program to be easy to understand and administer. The grants will address small repairs and maintenance. It can be used as match for Urban Renewal programs or the State Historic Fund. This idea is definitely a work in progress with more information to come.
