

DIRECT INSTALL PROGRAM

Homeowners & Renters

Take advantage of Free Swamp Coolers & Refrigerators

No Cost Swamp Cooler or Energy-Efficient Refrigerator Includes Installation.

How Do I Qualify?

- Must be a Black Hills Energy electric customer.
- **Must income qualify using the 80% area median income guidelines.**

No Cost Swamp Cooler

- Must have a window suitable for a window mount evaporative cooler.
- Must have a hose bib within 50 ft. of window location.
- Must have a 110-volt electrical outlet within 10 ft. of the window.
- Must not currently own a working, window-mount evaporative cooler or air conditioning unit.
- Limit 1 unit per household.

No Cost Energy-Efficient Refrigerator

- Must currently have an inefficient refrigerator at least 10 years old.
- Must own and relinquish your working inefficient refrigerator that is at least 10 years old to Black Hills Energy for recycling.

No Cost ENERGY STAR™ LEDs

- Qualified participant receives no cost LED light bulbs to replace old inefficient light bulbs.

Bring in or mail in the following documents to the address listed on the right:

- Current completed application
- Recent Black Hills Energy bill
- Proof of household income for one month
