Parade permit applications may be obtained at the Pueblo Police Department in the main lobby. The permit application requires it be turned in forty five (45) days prior to the event, the earlier it is received, the more thorough planning can be made and alterations to the proposal can be coordinated if needed.

When applying for a Parade Permit it will be necessary to submit the following attachments at the time of application:

1. A detailed map of the proposed route the parade or activity will be using. Google Maps or a similar online map supplier is the best source for overhead maps. Please draw clearly the proposed route to be used.

2. If you will require closing of any streets you are responsible for obtaining the proper devices for those closures. One of the local barricade companies can help you with quotes for pricing of traffic control devices. Once you decide which barricade company you will be using, ask them for an “MHT diagram” of how they will be closing the streets and attach a copy of the drawing to your Parade Permit Application. This will help us determine what if any Police manpower we need to provide you with the safe completion of your event.

3. Provide certificate of insurance to protect the City of Pueblo against loss from liability imposed by law for damages on account of bodily injury and property damage arising from the special event that impacts or occurs on city property. The amount of insurance shall have limitations of not less than one million dollars ($1,000,000.00) injury to one (1) person in one (1) occurrence and not less than two million dollars ($2,000,000.00) for injury to more than one (1) person in the same occurrence and not less than five hundred thousand dollars ($500,000.00) for damage to property in one (1) occurrence. and shall name the City of Pueblo as an additional insured and must be maintained for the duration of the event.

4. You are responsible for acquiring any other permits that may be required for your event and copies of those approved permits must be attached to this application.
As a reminder you are responsible for any overtime costs incurred by the Police Department that are associated with your event.

The Police Department wishes you the best of luck with your event and will do all we can to support your efforts.
