To: City of Pueblo Zoning Board of Appeals
From: Bart Mikitowicz, Planner
Through: Scott Hobson, Land Use Administrative Official
Date: 8/24/2021
Request: **A Special Use Permit to allow a Salvage Yard in a Light Industrial (I-2) Zone District, contingent on the parcel being rezoned from B-3 to I-2.**
Site Location: 200 N. Vision Lane, Pueblo CO 81001
Legal Description: LOT 4 BLK 1 TRINITY SUB
Year Built:
Applicant: Austin Steir, Tom's Auto Salvage
Property Owner: Austin Steir
Zone District: Highway and Arterial Business (B-3) Zone District

BACKGROUND AND ANALYSIS

The subject property is an unimproved parcel in the Trinity Subdivision found in the southeast quadrant of the city. The applicant is requesting a Special Use Permit to institute a Salvage Yard Use operation on LOT 4 BLK 1 TRINITY SUB, 200 N. Vision Lane. The applicant operates Tom's Auto Salvage at 300 N. Vision, the proposed Salvage Yard Use is an expansion of the existing business, however, it is not contiguous with the existing operation and is separated by a forty thousand (40,000-sqft) square foot parcel between them.

200 N. Vision Lane is currently zoned B-3, the applicant has applied for a zone change to I-2. The subject property was annexed into the City and subdivided in 1981. The Pueblo Comprehensive Plan designation of the property is Arterial Commercial Mixed Use and adjacent designations include Employment Center, Light Industry Mixed Use to the west and Urban Residential to the east. Existing development along Vision Lane is primarily industrial consisting of salvage yards and aggregate suppliers. The parcel adjacent to the northern property line of N. 200 Vision Lane remains undeveloped and zoned B-3.

As indicated the applicant also owns and operates Tom's Auto Salvage, located to the north of the subject property at 300 N. Vision Lane. Rezoning actions from B-3 to I-2 and Special Use Permit to operate the salvage yard were approved for 300 N. Vision Lane between 2017 and 2020.

Furthermore, the applicant is required to comply with Sec. 9-7-16 & Sec. 9-7-17 or the Pueblo Municipal Code, which deal specifically with salvage yard operations and are listed under the Staff Recommendations Section of this report.

ZONING DISTRICT AND LAND USE

Zone:		Developed with:
North	Highway and Arterial Business (B-3) Zone District	Undeveloped Lot
East	Flood Plain (S-3) Zone District	Water Retention and Drainage Easement
South	Flood Plain (S-3) Zone District	Water Retention and Drainage Easement
West	Pueblo County Industrial (I-2) Zone District	Rock Quarry

PUBLIC NOTICE

The property was publicly noticed in accordance with Title 17 Section 17-5-33(2) of the City of Pueblo Municipal Code. Specifically, the hearing was published in the Pueblo Chieftain, surrounding property owners within 100 feet of the property were notified by mail, and a sign was placed on the site (See Attachment E). These notices occurred at least 10 days prior to the hearing.

CONDITIONS REQUIRED FOR LIMITED USE PERMIT

1. Ingress and egress to property and proposed structures thereon with reference to automotive and pedestrian safety and convenience, traffic flow and control, and access in case of fire or catastrophe.

Comments: Affirmative finding. The property is accessed via N Vision Lane. The applicant indicated that only employees will be allowed in the yard, that vehicles will be neatly arranged and with wide enough lanes and turning radius for fire and EMS vehicles if needed.

2. Off-street parking and loading areas where required, with particular attention to the economic noise, glare or odor effects of the use by review on adjoining properties and properties generally in the district.

Comments: Affirmative finding. The property has adequate off-street parking at the main office located at 300 N Vision Lane in addition to area provided between the security fence and the street.

3. Refuse and service areas, with reference to the items above.

Comments: Affirmative finding. All refuse is collected and maintained on-site, with the whole site enclosed by a six-foot opaque fence.

4. Utilities, with reference to the location's availability and compatibility.

Comments: Affirmative finding; utilities are established, but there is no future plan for any structures, water, or electrical service.

5. Screening and buffering with reference to type, dimensions, and character.

Comments: Neutral Finding. While fencing is in place, some areas of the fencing are inadequate and in a state of disrepair. This topic is further addressed in the staff conditions.

6. Signs, if any, and proposed exterior lighting with reference to glare, traffic, safety, economic effect and compatibility and harmony with properties in the district.

Comments: Affirmative Finding; any proposed signs must conform with Sec. 17-10-05 Sign Standards of the Pueblo Municipal Code.

7. Required yards and other open space.

Comments: Affirmative finding. Adequate passageways are required to allow unobstructed passage of fire-fighting vehicles. The applicant has indicated that they will comply with not placing salvage vehicles within the indicated flood zone area.

8. General compatibility with adjacent properties and other properties in the district.

Comments: Neutral finding. The adjacent properties to the west and east include another salvage yard and a rock quarry. However, the future land use to the southeast is designated as Urban Residential which would not be compatible although it is currently undeveloped.

PLANNING AND COMMUNITY DEVELOPMENT STAFF RECOMMENDATION

If the Board chooses to approve this Special Use Permit staff recommends Standard Permit Conditions 1 through 13 as well as:

1. All fencing must be repaired, made opaque, adequately maintained, and uniform in construction.
2. Owner must full comply with the salvage yard conditions outlined in Sec. 9-7-16 thru 9-7-20, with specific attention to the underscored sections.
3. No vehicles may be stored on any areas within the flood plan indicated in Figure 1: 200 N Vision Lane Flood Plain Map found below.

Figure 2: 200 N Vision Lane Flood Plain Map

Sec. 9-7-16. - Salvage and storage premises to be enclosed.

- (a) It shall be unlawful for any person to maintain a salvage yard or salvage shop in the City or any place for the storage of wrecked or unusable automobiles awaiting repairs unless such business or storage is carried on entirely inside a building or unless the premises on which such business or storage is carried on be entirely enclosed by a solid fence at least seven (7) feet in height. Such fence shall be a masonry wall, a wooden fence or an ornamental hedge. Variances may be permitted as prescribed in Section 9-7-18. Such fence shall be maintained in a neat, substantial, safe condition. Gates for access to said premises shall swing inwardly, and such gates shall be kept closed when the premises are not open for business.
- (b) Such wall or fence, or the gates thereof, shall not contain any advertising sign or poster other than that needed to identify the enclosed business.
- (c) There shall be no stacking of automobiles, salvage or other materials which shall be visible above the surrounding enclosure or gates from ground level.
- (d) Salvage operations, including storage, shall not encroach upon or use any area outside the enclosure.

Sec. 9-7-17. - Salvage storage; passageways.

Salvage in an enclosed yard shall be so piled or placed that adequate passageway are open to permit the unobstructed passage of fire-fighting vehicles. Salvage in an enclosed building shall be so placed those adequate aisles and passageway are open to permit the unobstructed passage of firefighters and hoses.
