PRESS RELEASE

City of Pueblo Police Department

Shooting

On Thursday, October 21, 2021 at approximately 7:20 p.m., Pueblo police officers responded to a residence in the 1100 block of E. 4th Street regarding a report of a male who had been shot. Officers arrived and located a male on the front porch of the residence who had been shot in both legs. One officer quickly applied tourniquets to the victim's legs to limit the blood loss. As other officers arrived, they learned that the victim was riding a motorcycle. The officers located the motorcycle in the backyard of the residence, which had blood on it and appeared to have been shot.

Officers conducted an investigation. They followed a trail of fuel from the motorcycle to the area of E. 4th Street and Kingston Avenue. Officers then located several spent rifle shell casings in the 1300 block of E. 3rd Street. Officers also located two vehicles in the area that had been shot. Video footage recorded from a home in the area showed the victim on his motorcycle being followed by sedan.

The victim was transported to a local hospital where he was listed as being in stable condition.

As of the drafting of this press release, no suspects have been identified or arrested.
