Seeking Information-Shots Fired

August 11, 2022, 2022 [FOR IMMEDIATE RELEASE]

On Wednesday, August 10, 2022, at approximately 1013 P.M., Pueblo Police Officers were sent to the area of 116 Central Main Street and Alan Hamel Ave, in the City of Pueblo, on the report of shots fired. Officers in the area reported hearing shots fired at the same time the information was being aired by the Pueblo Police Department Communications Center. Officers responded to the area and contacted a witness who reported seeing approximately 15 juveniles between the ages of 14 and 18 years old walking and arguing under one of the bridges on the riverwalk. The juveniles then engaged in a physical altercation. Three of the juveniles fled and the others followed them. The witness reported hearing shots fired as the juveniles chased the three who were leaving. The witness told officers there was a maroon colored sedan in the area that fled the scene at a high rate of speed, going north on Main Street.

A second witness also told officers he observed approximately 13 high school aged, Hispanic, juvenile males run past his vehicle, which was parked on the Alan Hamel Ave bridge. Some of the males ran to a white sedan parked in front of his vehicle, while others ran toward two other vehicles near them. The males entered the vehicles, at which time the witness reported hearing approximately 30 gunshots between the cars. The white sedan made a U-turn and fled the scene and went northbound on Main Street with the other cars following.
