Active Shooter Training Exercise Heaton Middle School

October 14, 2022 [FOR IMMEDIATE RELEASE]

Today, October 14th at 08:00 A.M., an active shooter drill will be held at Heaton Middle School, 6 Adair Rd, Pueblo, CO 81001. This training is being conducted in an effort to help Pueblo School District 60, the Pueblo Police Department, and the Pueblo Fire Department be better prepared in the event of an actual active shooter incident.

The purpose of this news release is to inform the public of this training and the increased police and fire presence that will be in the area during the event. Simulated gunfire may be heard during the event and officers will be staged around the outside of the school to ensure no one enters the area who is not permitted.

We would like to thank our partners at Pueblo School District 60 and the Pueblo Fire Department for working together with us on preparing and conducting this training event.
