

Neighborhood Watch Invite

This is an invitation to an upcoming Neighborhood Watch meeting in your area.

Neighborhood Watch is a crime prevention program that enlists the participation of residents in cooperation with the Pueblo Police Department to reduce crime, improve the quality of life, and establish a sense of well-being by watching out for one another in your area.

The Neighborhood Watch Program is a highly successful effort that has been in existence for more than forty years in cities and counties across America. The program will provide crime prevention education and awareness, personal property identification, home and apartment security tactics.
