COURT APPEARANCES / COSTS AND FEES

Most Traffic Offense cases can be paid over the counter or by mail and without a court appearance except for six (6) point violations, eight (8) point violations, twelve (12) point violations, and any violation in which the issuing officer has specifically noted in the actual charge that the violation involves personal injury or appreciable property damage. Six (6) point violations, eight (8) point violations, twelve (12) point violations, and any violation in which the issuing officer has specifically noted in the actual charge that the violation involves personal injury or appreciable property damage will require a mandatory court appearance on the arraignment date (NOTE: The mandatory court appearance will not affect eligibility for deferred sentencing).

Absent a Court Order otherwise, the expectation is that Fines and Costs will be paid immediately.

A statutorily mandated “School Crossing Guard Surcharge” of \$10 is applied to all moving/point violations and a “School Crossing Guard Surcharge” of \$4 is applied to all parking violations.

A “Failure to Appear Warrant” (FTA) Fee of \$35 and “Contempt Warrant” (Contempt) Fee of \$100 is applied whenever a warrant is issued for FTA, or Contempt.

Failure to resolve a traffic infraction or parking ticket on or before the court date or otherwise appear for a court appearance, will result in default being entered and fine imposed. Any and all outstanding fines and fees may be sent to collections.

DEFERRED SENTENCING TRAFFIC MUNICIPAL ORDINANCE VIOLATIONS

A deferred sentence is a way you avoid a conviction on your record and avoid points being assessed against your driver’s license. It requires you to plead guilty or no contest to the charges and pay the fine and costs; however, the conviction and points are not reported to the Department of Motor Vehicles (and are not reported to your insurance company).

Deferred sentences are deferred for a period of up to twelve (12) months. If you are not adjudicated, convicted, or found guilty of any additional traffic offenses which occur after the plea date, and you pay the fine and costs, and you comply with any other conditions ordered by the Court, the conviction of a traffic offense will never enter, and the case will be entered as dismissed in its entirety after the expiration of the deferred sentence period.

You are eligible for a deferred sentence if you have a clean driver history for the last three (3) years (including deferred sentences). There is an additional \$20 deferred sentence fee for a deferred sentence under these circumstances.

You are eligible for a deferred sentence if you have a relatively minor driver history for the last three (3) years ((no more than two (2) violations (including deferred sentences) with no more than a total point assessment of eight (8) points)). There is an additional \$50 deferred sentence fee for a deferred sentence under these circumstances.

You are not eligible for a deferred sentence if you have a previous deferred sentence still pending or any previous cases are in collections.

If you are under twenty-one (21) years of age on the date of offense, a condition of every deferred sentence will include a Traffic School.

If you are charged with any violation which carries six (6) points or more, you may be eligible for deferred sentencing; however, only after appearing in front of the Judge following an arraignment / advisement of rights session of court and making that specific request.

If your case is set for trial, you will not be given any further opportunity to receive the benefits of deferred sentencing.

Some specific offenses are not eligible for deferred sentencing under any circumstances.

To achieve consistency regarding situations in which defendants on pending traffic deferred sentences are issued new traffic tickets, the following policy is implemented:

If a Defendant with a pending traffic deferred sentence is issued a new traffic ticket, the Defendant will have several options:

- (1) The Defendant may plead not guilty and set the matter for trial. If the Defendant is found not guilty, there will be no impact on the pending traffic deferred sentence. If the Defendant is found guilty, the Court may or may not revoke the pending traffic deferred sentence.
- (2) The Defendant may plead guilty or no contest (no deferred sentence), pay the standard fine, pay the costs, and the pending traffic deferred sentence will be revoked (conviction and points certified to D.M.V.).
- (3) The Defendant may plead guilty or no contest (no deferred sentence), pay twice the standard fine (up to \$1,000), pay the costs, and the pending traffic deferred sentence will not be revoked.
NOTE: This option is available one (1) time during any pending deferred sentence.

As a result of this policy, the Court will apply a strict adherence to deferred sentencing dismissal dates.

Any deviations from this policy must be approved by the Court Administrator or the Judge.

DEFERRED SENTENCING - ADULT MUNICIPAL ORDINANCE VIOLATIONS

A deferred sentence is a way you avoid a conviction on your record. It requires you to plead guilty or no contest to the charges and pay the fine and costs; however, the conviction does not enter upon your record.

Deferred sentences are deferred for a period up to twelve (12) months. If you are not adjudicated, convicted, or found guilty of any additional criminal or delinquent offenses (excluding minor traffic offenses) which occur after the plea date, and you pay the fine and costs, and you comply with any other conditions ordered by the Court, the conviction will never enter, and the case will be dismissed in its entirety.

You are eligible for a deferred sentence if you have no prior criminal convictions/adjudications of an identical nature within the last five (5) years and no other criminal convictions/adjudications (including deferred sentences) within the last three (3) years. There is an additional \$20 deferred sentence fee for a deferred sentence under these circumstances.

You are not eligible for a deferred sentence if you have a previous deferred sentence still pending (meaning you are still under the jurisdiction of the Court), or any previous cases are in collections.

If your case is set for trial, you will not be given any further opportunity to receive the benefits of deferred sentencing.

Records pertaining to traffic infractions and the offense of indecent exposure cannot be sealed.

Defendants may also file a petition to seal any arrest and criminal records of Municipal Court criminal convictions by filing a petition in the district court of the district in which the convictions occurred.

Full instructions on how to seal your municipal court records and the Petition to Seal are available in Municipal Court or online at www.pueblo.us/99/municipalcourt.

DEFERRED SENTENCING - JUVENILE

MUNICIPAL ORDINANCE VIOLATIONS

(Non-traffic related)

A deferred sentence is a way you avoid a conviction on your record. It requires you to plead guilty or no contest to the charges and pay the fine and costs, however, the conviction does not enter upon your record.

Deferred sentences are deferred for a period up to twelve (12) months. If you are not adjudicated, convicted, or found guilty of any additional criminal or delinquent offenses (excluding minor traffic offenses) which occur after the plea date, and you pay the fine and costs, and you comply with any other conditions ordered by the Court, the conviction will never enter, and the case will be dismissed in its entirety after completion of the deferred period.

You are eligible for a deferred sentence if you have no prior criminal convictions/adjudications of an identical nature within the last two (2) years and no other criminal convictions/adjudications (including deferred sentences) within the last one (1) year. There is an additional \$20 deferred sentence fee for a deferred sentence under these circumstances.

If you have a previous deferred sentence still pending (meaning you are still under the jurisdiction of the Court), you are not eligible for a deferred sentence.

If your case is set for trial, you will not be given any further opportunity to receive the benefits of deferred sentencing.

Some specific offenses are not eligible for deferred sentencing under any circumstances.

EXPUNGEMENT OF JUVENILE RECORDS

A juvenile may have the records in any criminal case expunged free of charge by order of this Court if:

- the case was dismissed;
- the juvenile fully complied with the sentence imposed and paid all outstanding restitution, fines, and fees; and
- the juvenile does not have any pending felony, misdemeanor, petty offense or delinquency actions.

Records pertaining to traffic offenses and the offense of indecent exposure cannot be expunged.

Full instructions on how to have your juvenile records expunged and the Petition to Expunge are available in Municipal Court or online at www.pueblo.us/99/municipalcourt.
