

Explorer Program

The Pueblo Police Department offers a career education program that gives young adults hands-on activities that build self-confidence; improve physical and mental fitness; promote responsibility, teamwork & leadership; and strengthen their appreciation for careers in the law enforcement field.

Exploring rose out of the need to reach out to young men & women in the Pueblo area and offer them career options and the opportunity to experience law enforcement functions on a personal basis.

The Law Enforcement Explorer programs are active throughout the country and being a part of the exciting and fulfilling program can help any young person mature into a productive citizen in the community and lead to a possible fulfilling career in law enforcement.
